

Community Garden Open Day

Sunday 8 May, 11am-2pm

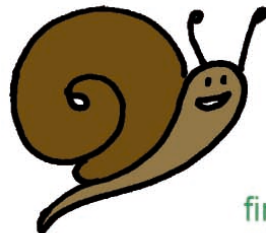

Village Park Allotments, adjacent to 14 Rose Gardens W5 4NT, South Ealing

- Heard about us, but haven't managed to visit yet?
- On a waiting list for an allotment?
- Want to join our friendly group of all ages and experience levels at this site or one of our future projects?
- Want to see how we have transformed this space into a lush and productive vegetable plot?

Drop into our open day between 11am and 2pm and check out our garden, swap plants, and join us for some home-made food and drink.

We are child-friendly - families are more than welcome and we already have children regularly joining us on our 'dig days'. No growing experience necessary!
